SUMMARY

As a **front-end developer** with **+3 years of hands-on experience**, my journey has taken me through a **variety of projects**, from massive undertakings to smaller, focused freelance work, where I've had the privilege of **collaborating with diverse**, **international teams** and each project has fueled my excitement and deepened my **expertise in both front-end and back-end technologies.**

SKILLS

- Front-end : **JavaScript , TypeScript , ReactJs , NextJs** , Tailwind , Bootstrap , Chakra ui , Redux-TLK
- Back-end : **Familiar with nodeJS** , MangoDB , SQL-Server
- Soft Skills : **Problem Solving** , **Teamwork** , Self-Learning , Documentation

EXPERIENCE

Self Employed, Remote - *Freelance Web Developer*

MAR 2024 - PRESENT

- Opportunity to contribute to the **development** of the shop section using **React**, a vital element of foreign company's **e-commerce platform**.
- Collaborated on an **internal chat system project** with Danish students, leveraging **Firebase** for **back-end** services including **authentication, storage, and database** management. This solution significantly enhanced communication between students and professors, **boosting work efficiency by 10%**.

MAXA Security company, Tehran - *Remote Web Developer*

JULY 2022 - MAR 2024

- Developed a **high-performance landing page** that turbocharged the site's loading speed, slashing **load times by 2 seconds**.
- Dive deep into **user behavior analysis**, transforming insights into seamless, **user-friendly site** experiences that feel intuitive and effortless.

Ceram Company, Tehran - *Web Developer*

OCT 2021 - JUNE 2022

- Developed a comprehensive **network accounting system** with robust capital and warehouse management features, capable of handling and calculating orders with **3 different currencies**.

Self Employed, Remote - *Freelance Web Developer*

SEP 2017 - JULY 2019

- Crafted over a dozen **dynamic landing pages** using **React and pure JavaScript**, each one designed to captivate audiences and drive engagement for **high-impact** events and promotions.
